Membership and Dues Structure

General Contractor Membership

Membership is open to all general contractors who practice skill, integrity, and responsibility in the commercial construction industry. Dues for each General Contractor Member shall be assessed and collected on the basis of volume performed in the Chapter Territory. The chart below provides an example of the amount of dues assessed based on performed volume. (Please call for specific Volume Dues information for Local and Non-Home General Contractor membership.)

Volume dues are an important part of our not-for-profit organization's budget. The minimum annual fee for a General Contractor Member is \$1,000.00 and is applied to volume dues. The maximum amount of annual dues assessed, occurring at the \$30,000,000 volume level, is \$19,000 for Chapter Dues.

For your convenience, volume dues reports are submitted annually to the office

Volume			Dues
\$1	to	\$500,000	\$1,000
500,001	to	1,000,000	1,850
1,000,001	to	2,000,000	2,700
