

## CONSTRUCTION LEADERSHIP COUNCIL

### COMMUNITY SERVICE OPPORTUNITY

Please join AGC's Construction Leadership Council in supporting our community.

The San Antonio Food Bank has quickly grown to serve 58,000 individuals a week in one of the largest service areas in Texas. Their focus is for clients to have food for today but to also have the resources to be self-sufficient in the future.

Don't miss out on this amazing opportunity to give back, make new friends and net-work with your industry while working together to sort and/or pack produce, non-perishable foods, and household items, preparing them for distribution through out your community. This project is fun and rewarding for both adults and children. - Children are welcome to attend
