

“The Basics” Program

Operating a Small, Minority, Woman or Disadvantaged Construction Business for Contractors, Subcontractors and Suppliers

What is “The Basics” Program?

Bexar County and the San Antonio Chapter of the Associated General Contractors offer a basic educational program.

The purpose of this 10-week, 20 hour program is to build and improve the capacity of small, women, and minority-owned firms in the construction industry. The course outline for the ten sessions is as follows:

Jan 29: Liens: How to Get Paid

Feb 5: Bidding & Estimating

Feb 12: Project Scheduling

Feb 19: Project Management

Feb 26: Financial Management & Job Costing

Mar 5: Understanding Contracts

Mar 12: Insurance & Bonds

Mar 19: Marketing / Business Development

Mar 26: Elements of Running a Successful Construction Business

Mar 19: Safety & Health

The program consists of 10 sessions, held Tuesdays from 6:00-8:00 PM.

There is a \$175 Registration fee with full reimbursement if participants attend 8 of the 10 sessions.
